

Summer 2018

Dear Fourth Grader,

On behalf of your future teachers, we would like to welcome you to Mill Pond School! We hope that you have had an exciting and restful summer. We can't wait to hear all about it and get to know you better throughout the school year.

Your homeroom teachers will be either Mrs. Labriola and Mrs. DiBona. Mrs. Labriola will teach you science and Mrs. DiBona will teach you social studies. We know that coming to Mill Pond seems like a big change, but the teachers, guidance counselor, and your parents will help you every step of the way to make sure you are successful and happy. You will have more independence and responsibilities in fourth grade, but we still have time for a lot of fun as we learn many new concepts.

When you join us for the first day of school, we recommend that you come prepared with the materials on the Grade 4 Supply list posted on the school website over the summer. We suggest writing your name on your lunch box, sweatshirts, notebooks, supplies as many get left behind. Aside from the supply list, we will need you to get a few more inexpensive items that are typically priced down this time of year.

- 2 more composition books
- 2 more wide-lined notebooks
- Extra set of colored folders to switch out mid-year
- One graphing notebook for math
- PICK ONE: ziplock bags any size, Clorox wipes, or box of tissues

Fourth grade is sure to bring many exciting changes. We look forward to seeing you in September! Come to talk about the books you read over the summer and if you have traveled or did something special, bring your summer souvenir into share. A shell, a postcard, a photo, ANYTHING!

Fondly,

Mrs. Labriola

Mrs. DiBona
