

Dear Fourth Grader,

On behalf of your future teachers, we would like to welcome you to Mill Pond School! We hope that you have had an exciting and restful summer. We can't wait to hear all about it and get to know you better throughout the school year.

You will have either Mrs. Popsuj or Mrs. Richardson as your homeroom teacher. Your homeroom teacher will teach reading, math, and English language arts. You will be switching for one class every other day. Mrs. Popsuj will teach you science and Mrs. Richardson will teach you social studies. We know that coming to Mill Pond seems like a big change, but the teachers, guidance counselor, and your parents will help you every step of the way to make sure you are successful.

When you join us for the first day of school, we recommend that you come prepared with the materials on the Grade 4 Supply List as well as additional items mentioned below. You may even drop off your supplies on Open Door Day if you are able to come. We suggest writing your name on your lunch box, sweatshirts, and coats, as many things get left behind.

- pencil sharpener with cover
- Pick ONE: Magic Eraser, baby wipes, OR any size zip lock bags
- Six colored folders **with three hole punch**
 - red (ELA)
 - orange (music) (holes are not necessary, this folder will stay in student's desk)
 - purple (math)
 - blue (social studies)
 - green (science)
 - your choice (homework) **Make sure this is durable**

These folders will stay in your binders to make sure that students come prepared everyday. Fourth grade is sure to bring many exciting changes. We look forward to seeing you in a few weeks!

Your future teachers,

Mrs. Popsuj and Mrs. Richardson
