

Summer 2018

Dear Fourth Grader,

Welcome to Fourth Grade at Mill Pond! This year you'll share many positive learning experiences as you become more independent and take on more responsibilities. Of course, we'll still have time for lots of fun and creating many new friendships.

Your teachers will be Mrs. Woodward and Mrs. Washington/Mrs. Silven. Your homeroom teacher will teach ELA and math and you will switch for social studies and science. We know that coming to Mill Pond seems like a big change, but the teachers, guidance counselor, and your families will help you every step of the way to make sure you are successful.

The school provides many school supplies, including a student planner/calendar which helps you organize homework assignments, long-term projects, and parent/teacher communication. We do have a list of supplies we ask each student to bring to school. Supplies should be brought to school on the first day, Wednesday, August 29th. **Please take supplies out of packages** to make unpacking quick and easy. We also suggest **writing your name on your backpack, lunch box, or other items regularly brought to school.**

We look forward to meeting you in August and are excited for you to see your new classroom. With a positive attitude, enthusiasm for learning, sense of humor, caring heart, and willingness to work hard, we know you will have a fantastic Fourth Grade year! Enjoy the rest of your summer vacation!

Your teachers,

Mrs. Woodward--Room A111

Mrs. Washington & Mrs. Silven--Room A109
