

Summer 2019

Dear member of Team Hope,

It is with great pleasure that we welcome you to the sixth grade Team Hope at Mill Pond School. We hope you have enjoyed your summer, and are looking forward to an eventful year of learning and exploration. The coming school year will be full of challenges and opportunities for learning and discovery, and your 6th grade teachers will be there to guide and support you every step of the way. Your teachers for this year include Mrs. Donahue, Mrs. Garrett, Miss Thompson, and Ms. Danish. All of Team Hope's classrooms are located at the end of Wisdom Way, which is the upper level red hallway.

Prepare to study earth, life, and physical sciences, the human and physical geography of the world, fascinating novels, intriguing nonfiction texts, various forms of written expression, and new math concepts that apply to everyday life. As a sixth grader, you will have additional responsibilities and independence. Your guidance counselor, Mrs. Brouillard, as well as your teachers, will help you achieve and succeed in 6th grade.

We encourage you to visit your new classrooms on Open Door Day, which is on Wednesday, August 21, 2019, and look forward to meeting you on the first day of school. Please review the list of requested classroom supplies on the back of this letter and bring these supplies the first day of school. We look forward to meeting you and sharing in this exciting part of your Mill Pond journey.

Sincerely,
Team Hope Teachers
