

Summer 2019

Dear Fifth Grader and Family,

It is with great pleasure that we welcome you to our fifth grade Aloha Frog Team! We are looking forward to an exciting year of learning and growth!

The Aloha Frog Team of teachers consists of Mr. Gildea, Mrs. Follett, Mrs. Pittorino and Mrs. Arnold. We are a dynamic team that utilizes a Project Based Learning model. Together your child will learn math, science, social studies and literacy throughout the day, but in addition, we will concentrate on several projects that investigate and respond to an authentic, engaging, and complex question, problem, or challenge

When you join us for the first day of school, please come prepared with the materials listed on the back of this letter. After the school year begins, there may be a few other materials that individual teachers will request.

We are excited to meet you at Mill Pond School on **Wednesday, August 28th**. If you need to reach us, please feel free to send us an email. Also, you may check out team website www.alohafrogs.weevly.com. Thank you in advance for your cooperation and support.

Sincerely,

Mrs. Pittorino
