

Summer 2019

Dear Team Integrity member,

It is with great pleasure that we welcome you to the sixth grade at Mill Pond School. We hope you have enjoyed a summer full of fun and relaxation! We are looking forward to an eventful school year of learning and exploration. Your sixth grade year will be full of successes, challenges and opportunities for learning and discovery, and your 6th grade teachers will be there to guide and support you every step of the way. Your teachers for this year are Mrs. McCarthy and Mrs. White. Your classrooms are located at the end of Wisdom Way, which is the upper level red hallway.

Prepare for an exciting year ahead! You will study earth, life, and physical sciences, the human and physical geography of the world, and new math concepts that apply to everyday life. You will read fascinating novels, intriguing nonfiction texts, and learn from expert authors to craft various forms of written expression. As a sixth grader, you will gain additional responsibilities and new-found independence. Your guidance counselor, Mrs. Brouillard, as well as your teachers, will help to support you to achieve and succeed throughout your 6th grade year.

We encourage you to visit your new classrooms on Open Door Day, which is on Wednesday, August 21, 2019. We look forward to meeting you on the first day of school, Wednesday, August 28, 2019. Please review the list of requested classroom supplies on the back of this letter and bring these supplies the first day of school. We look forward to meeting you and sharing in this final year of your Mill Pond journey.

Sincerely,  
Mrs. McCarthy  
Mrs. White  
Sixth Grade Team Integrity Teachers

## **MCCARTHY & WHITE homerooms**
