

Summer 2019

Dear Fourth Grader,

It is with great pleasure that we welcome you to fourth grade at Mill Pond School. We hope your summer has been exciting, yet restful. Now is the time to look forward to an eventful year of new exploration.

The fourth grade at Mill Pond School will be a year of exciting changes and challenges. Your teachers will be Mrs. Tarby and Mrs. Sanders. Your homeroom teacher will be your language arts, reading, and math teacher. Mrs. Tarby and Mrs. Sanders will be team teaching science and social studies.

Along with your team of teachers, you will be working with many others who will allow you to explore art, music, technology, and physical education. You will have new independence and responsibilities as a fourth grader. Your teachers, as well as your guidance counselor, will help you succeed in all of your new challenges.

When you join us on the first day of school, we recommend that you come prepared with the materials found on the supply list. Please be sure to take supplies out of packages to make unpacking quick and easy. We also suggest to have supplies at home to help with your homework assignments.

We look forward to seeing you in August!

Your teachers,
Mrs. Tarby and Mrs. Sanders
