

Westborough Public Schools

Technology Purchase, Replacement, and Repair

Like all district property in the custody of students, families will be expected to reimburse the district up to the replacement cost for any damage or loss to a device or its accessories.

If you need a replacement or repair of a device, please complete the form below. Return the form and payment in an envelope to your Building Technology Specialist. Make checks payable to your school.

Please contact your school principal or counselor if the cost will pose a hardship to your family.
