Fabulous First Day!

What a wonderful first day here at Mill Pond! In this case the early birds definitely got the worm! Getting started a little earlier got us off to a superb start with so many smiling faces walking up to our front doors, meeting their new teachers and getting to know their new classmates. There was a wonderful feeling of anticipation and excitement that could be felt throughout the whole building all day long. As students got situated in their new learning environments their comfort and confidence was evident. I was thrilled to meet so many happy students who were all so respectful and considerate. I am looking forward to meeting more tomorrow and each day this school year!

Important Information

1. First Day Packets

First day packets should have come home with all students today with directions of how to access the required sign-off forms through the powerschool portal. We are asking that parents please look over the information with their children and sign and submit them online as soon as possible.

2. Activity Period

This is a link to a [letter](#) that provides you with information about our Activity Period opportunities for your children that present themselves early in the year.

3. Correction to 5th grade Ensemble Information

The information that came home in the First Day Packet has one update to some listed dates for 5th grade ensembles. These are listed below:

Updates to the Grade 5 Ensemble Sign Up Form:

1. Forms are now due Tuesday, September 11.
2. All fifth grade music ensembles will start the week of September 17. The Orchestra and Band Directors will let your child know when their sectional lessons will begin.
3. Band Instrument Rental Night will take place at Mill Pond on Wednesday, September 12th at 6pm. If you cannot make it to rental night, please go directly to the store to rent your instrument.

Feel free to contact the ensemble directors if you have any questions.
