

Summer Reading 2018

What is the Summer Slide?

The Summer Slide is the learning loss that occurs when children do not engage in reading and writing activities over the summer. To avoid the Summer Slide, children should read, listen, and write (and read and read and read!) over the summer. Below are some ideas of how you can keep your children reading, listening, and writing this summer. They're fun and easy!

Westborough Public Library Summer Reading Program

Summer Reading for Students Entering Grades 4 & 5

All children (babies -- grade 5) are welcome to participate! Just stop by the Kids' Department to get a program log to get started. Kids of all ages will be eligible to win awesome grand prizes! Away for most or all the summer? No problem! Grab a log before you leave (or sign up online at http://bit.ly/wandoo2018) and come claim your raffle tickets and other goodies when you return.

The Summer Reading Program runs from **June 11 -- September 7** and kids are able to sign up at any time.

Summer Reading for Students Entering Grade 6

Welcome to Teen Summer Reading 2018. The Teen Zone is encouraging you to read, read! Use the online program (https://wandooreader.com/westboroughlib/teen-summer-reading-2018) to log the number of hours you read and participate in fun challenges all summer long. All teens who read and log over 30 hours will be invited to a pizza and ice cream party at the end of the summer to celebrate!!

The Summer Reading Program runs from **June 1 -- August 23** and kids are able to sign up at any time.
